Action website. Scientific output from the Action has grown over Grant Periods 1-4. Several popular articles have been translated or published in other languages such as Italian, German, and Slovene. There have been short articles, news, reports, events, and videos. The CITES species survey was launched to the Italian Botanical community. Social media overview has been presented, including analytics.

c) Grant Awarding by the Action

Aida Dervishi, Grant Awarding Coordinator, presented a summary of grants. 95 6645 EUR in total grants were awarded during all GPs to date. The demographics of applicants is as follows: applicants-58, Female-43, Male-15. The Grants were distributed in the following categories: VM 17, STSM 32, ITC-DCG 9. In GP4, 11 STSM were from ITC. WPB planned 1 STSM and 1 VM for GP5. The grant call will open after the Final conference, so we will know the budget better.

d) Progress on MoU Objectives, deliverables, and Goals

Action Chair provided progress on the 21 Deliverables. 16 Deliverables have been completed and 5 are in progress/almost finished.

4. Planning

a) Revision of Work and Budget Plan of the current GP (if applicable)

The Action ends on 14.4.2024, therefore, there is not a lot of discussion needed. Action Chair discussed the remaining activities in GP5 and the potential for an open call for Grants. There is some funding for Dissemination activities such as open access fees for scientific publication. We plan to publish the management guidelines for endangered species. There is a small budget to translate the children's booklets to another language. Reach out to Baiba Pruse for more information.

b) Draft plans for the following 3 months

The Action has planned for the following 3 months

- Final Conference & CG meeting
- Open call for grants (STSM, VM) - 3000 eur
- Dissemination - adaptations of children's book to other languages - 1200 eur
- Publication of management guidelines - 3000 eur
- Scientific publications - 5200 eur for open access fees

5. Monitoring and Reporting to the COST Association - preparation of the final report

Preparation of the final grant report is due 14 May 2024, one month after the end of the Action.

Action Chair requested that Action participants provide any activities, such as publications, related projects or impacts to include in the report.

For the Final Report, the Chair requests input and shares the [Google drive](#) to contribute.

6. AOB

The Chair opens the meeting to the MC for any other business. Michael Kiehn thanked the Chair and WG Leaders for the great work that has been done and what has been achieved.
